GUNMAN IS SOUGHT BY JERSEY POLICE IN DOUBLE SLAYING

Detectives Also Want Young Man Missing From New Brunswick.

LEFT CITY SUDDENLY AFTER THE MURDERS

One of Suspects Regarded as a Dangerous, Reckless Criminal.

JUDGE STABILARY IS ACTIVE.

Autopsy on Body of Mrs. Hall Is Delayed Until Middle of Week.

THE UNIVERSAL SERVICE.—NEW BRUNSWICK, N. J., Oct. 1.—Two men are the target of a statewide search in connection with the slaying of the Rev. Edward W. Hall and his choir singer, Mrs. Eleanor Hall. It became known tonight, according to this phase of the mystery, that the man who had satisfied authorities for sixteen days, District Attorney Ketcham said:

This new information seems to have better possibilities than anything else that has come into my mind since the murders were discovered.

It is revealed that just after the killing and before the bodies were found, a third man had been long on the suspect list of the New Brunswick police left town. He was accompanied by a man who has been arrested and convicted as a holdup man. The second man is a gunman who has long been on police lists as a dangerous, reckless criminal capable of any crime.

Captain Weidman, of the State-stabulary, and a number of other officers have been investigating cues which are daily coming from all the States. They are building up a case from the ground up and have instructions from Governor Edward to "go to the limit" to clear up the crime.

Due to certain legal procedure the autopsy on the body of Mrs. Hall will probably not take place until the middle of the week. As the result of strenuous objections on the part of county officials no member or representative of the Hall family will be present at the autopsy.

BLAME INCENDIARY FOR \$200,000 BLAZE

THE ASSOCIATED PRESS.—ATLANTA, Ga., Oct. 1.—That the fire which last night caused a damage of approximately \$200,000 to the Eiseman clothing store and L. F. M. Building was of an incendiary origin was the statement made by Fire Chief W. B. Cody tonight. An investigation is under way.

The fire chief said two men reported to him shortly after he arrived on the scene last night that they had seen two men in dark suits run from Eiseman's store at the time the fire was discovered. He is working on the theory that the store was robbed and then set afire by burglars.
